

Player Selection Process

Selection for TCBA rep teams will happen at trials. The selection process at the trial will involve a selection panel of at least three coaches, which will include the A Team Head Coach for each age/gender. The Director of Development will have the ability to amend selections if required. The full schedule for the representative season will be made available to players and parents as soon as possible to ensure players are able to commit to the programme. Failure to commit or attend sufficient training sessions will see players removed from the programme.

Player selection criteria will include:

- Ability and willingness to work as part of TCBA rep programme.
- Skill level.
- Physical size and Athleticism.
- Work ethic.

Stage 1 – Rep Trials

- U17/19 – November
- U11/13/15 – February
