## **Rules**

TCBA Secondary rules will apply for the duration of the competition. Please make sure your Coaches and Managers are familiar with all these rules. These rules will be loaded on TCBA web page. Should you need any clarification on the rules please contact the Leagues Manager.

## **Grading**

We recommend that teams grade themselves realistically on their registration form to allow for a prompt start to the competition rounds. The first two weeks of the competition will be grading games. If you require any assistance with grading, please call us 5780405 or email [leagues@taurangacitybasketball.co.nz](mailto:leagues@taurangacitybasketball.co.nz)

Teams will be placed in the appropriate grade for their ability and TCBA reserves the right to move teams should they feel they are incorrectly graded.

## **Uniforms**

Teams must have the same coloured tops with matching shorts. Tops must be numbered front and back.

## **Referees & Score Bench Duty**

TCBA will be providing paid referees for all games. This is included in your fees. Each team is to provide one person to do score bench (to score own game).

## **Scorebench & Coaching Clinics**

TCBA will be offering both a Coaching Clinic and a Scorebench Clinic prior to the season starting. Dates and venues will be confirmed closer to the date.

## **Score sheets**

Coaches/Managers are to complete Score sheets at least 10 minutes prior to the start of the game. Teams must sit on the right benches as determined by the score sheets (refer to rules). Both coaches must sign the score sheet at the completion of game to confirm the result is correct.

## **Defaults and Time Requests**

***Before filling out your team form please check with your school regarding any dates your players may be unavailable for, including but not limited to, School Camps, concerts and trips. All default dates must be emailed to [competitions@taurangacitybasketball.co.nz](mailto:competitions@taurangacitybasketball.co.nz) prior to the start of the season.***

Should your team have a one off event for which your players may need to play early or later please indicate this at the time of completing the team entry. Once the draw has been finalised it will not be amended. Whilst TCBA will endeavour to meet game time requests in advance, it must be noted that we may not be able to meet all such requests.

- a) To avoid un-notified defaults, the school/ team defaulting will be required to contact the opposition school as well as the Leagues Manager. Please give at least 24 hours notice. If both teams agree, games can be re-scheduled at an alternative date. However it is the defaulting team's responsibility to organize the game and appropriate referees ASAP and inform the Leagues Manager of the game and the result.
- b) Teams must be ready to take the court at the scheduled time of their respective games. Five registered players must be ready on the court by no later than 5 minutes after scheduled start of game. Failure to do so will result in a forfeit game with the opposition receiving 3 points for a win and the offending team receiving 1 point.

## **Navigators - Development Program**

This program consists of a weekly coaching sessions where basic fundamentals are introduced in an age relevant manner with fun activities and drills. No previous experience is required to attend and is for all age groups. Contact Rachel [development@taurangacitybasketball.co.nz](mailto:development@taurangacitybasketball.co.nz) for more info.

## **Team Membership Forms and Affiliation to Basketball NZ**

Basketball NZ requires our Association to utilize FIBA Organiser, an on-line comprehensive sport management program. This allows players to be affiliated to Tauranga City Basketball and Basketball New Zealand. ***For this reason, it is essential that team membership forms are completed fully***

**and correctly.** This will greatly enhance our capacity to manage and communicate league draws and results, but also ensures player eligibility.
